Dear all,

regarding COST support on the upcoming WG meetings in Novi Sad we have prepared the following for which your approval is sought.

In accordance with the general interest in this event, the following list of participants will enjoy financial support by Action IC1104. In light of the accomodation rates in Novi Sad, the hotel flat rate will be reduced to 60EUR/p/d. MC members will not be reimbursed by default (!). Should there be any members of the MC being interested to participate, then please get in touch with us (the chairs) in order to make this happen.

The mode of support COST Vademecum) is reimbursement, i.e. flight, accommodation, meals and **not** a stipend.

Here comes the list of supportees:

1. Thomas Westerback, Aalto University
2. Joao Sande Lemos, IST-Lisboa
3. Daniele Manini, University of Torino
